2013 – 2015

### Master of Mathematics

Laurea magistrale

University of Trento, department of mathematics, Trento (Italy)

Grade: 107/110

Description: This degree focussed on pure mathematics and symbolic computation, especially in the areas of algebraic geometry and commutative algebra.

Thesis: "Cohomology and spectral sequences in algebraic geometry"

Advisor: Prof. Edoardo Ballico.

01/09/2013 – 30/06/2014

### Erasmus

Utrecht University, Utrecht (The Netherlands)

Description: One year Erasmus with classes in pure mathematics and parallel programming.

2008 – 2012

### Bachelor of Mathematics

Laurea Triennale

University of Trento, department of mathematics, Trento (Italy)

Grade: 98/110

Description: This degree focussed on pure mathematics (algebra and foundational aspects) and computer science (algorithms, functional programming and scientific computation).

Thesis: "The Artin-Wedderburn theorem"

Advisor: Prof. Willem A. de Graaf.

## WORK EXPERIENCE

09/2016 – Present

### Junior Analyst

Accenture Italia, Verona (Italy)

Junior analyst supporting the day to day operation of the Generali insurance company. Working daily on a 100+ million record database and handling the client request for analysis and corrections.

2009 – 2016

### Private tutor in mathematics

Private tutoring in mathematics and IT for middle, high schools and universities in Trento, Italy. My middle and high school tutoring was mostly based on the standard Italian syllabus, whereas at university level I tutored first and second year's subjects, such as single and multivariate calculus, linear algebra, as well as introduction to computer programming and  $\text{\LaTeX}$ . I have tutored students mainly in one-to-one settings, and also as groups of 2 to 10 students at a time.

08/2015 – 06/2016

### Private tutor in mathematics

Private tutoring in mathematics and IT for high schools and universities in Oslo, Norway. My high school tutoring was mostly based on the IB (international baccalaureate) syllabus, whereas at university level I tutored first and second year's subjects, such as single and multivariate calculus and linear algebra. I have tutored students in one-to-one settings.

09/2011 – 12/2011 **Internship**

Istituto d'istruzione Marie Curie, Pergine Valsugana (Italy)

Teaching experience in a high school as assistant of a group of three teachers. During the experience I developed and taught lectures in basic calculus, combined with the development and evaluation of tests on the subjects of the lectures.
